To NSF Astronomy and Astrophysics Grant Program

By transmitting this letter electronically, I acknowledge that I am listed as a collaborator on this proposal submitted to NSF, entitled "Collaborative Research: Connecting Galaxy, Molecular Cloud, and Star Formation with Magnetic Fields" with Brian W. O'Shea as Principal Investigator. I agree to undertake the tasks assigned to me, as described in the project description of the proposal, and I commit to provide or make available the resources specified therein.

Sincerely,

Dr. Sui Ann Mao
Minerva Research Group Leader
